

DeLILLE CELLARS

.....  
DeLille Cellars 2013 Merlot

A beautiful deep brick color combines with an assertive Bing cherry and spice-driven nose. The aromas include lavender and jasmine, anise and malted cocoa, peppercorns, light straw tarragon with hints of warm bread along with the classic expression of Merlot red fruits. Driven by cherry and raspberry fruits along with spice rack characters repeated on the nose, there's an outstanding savory mouthfeel. The tannins are in check contributing to the mouthwatering profile and its warm lengthy finish. Consider this wine one for the ages.
