Sagemoor Vineyards

2022 The White Bluffs AVA VINTAGE experienced cooler-than-average growing conditions for much of the season, allowing for our Riesling grapes to be picked at very moderate sugar levels, yet with full flavor. Bosc pear, lychee, Meyer lemon and wet stone are showcased initially on the nose. A touch of residual sugar is just enough to balance out the bustling acidity and create a more full-bodied mouthfeel, full of honeysuckle, dried apricot and jasmine. There is a freshness and liveliness to this wine that makes it very easy to enjoy on its own but will pair easily with a variety of seafood dishes.

WINEMAKING

A touch of residual sugar is just enough to balance out the bustling acidity and create a more full-bodied mouthfeel in the 2022 Riesling.

“Coming from the White Bluffs AVA, this 2022 Riesling was sourced from the Bacchus and Dionysus Vineyards. This shows a sterling tension with green apple, kumquat and petrol notes on the palate. Nicely textured, this is really great wine to enjoy on a hot summer day. Drink 2023-2029.”
