PINOT NOIR

## Lonesome Rock Ranch

### VARIETAL

100% Pinot Noir

### APPELLATION

Willamette Valley AVA

### AGING

Drink Now or Age  
10+ Years

### VINEYARD

Lonesome Rock Ranch  
Vineyard

**2021** The 2021 Lonesome Rock Ranch  
VINTAGE Vineyard Pinot Noir opens with a bold bouquet of hoisin, black cherry and rich earthy undertones. The silky palate is packed with flavors of fresh strawberry, red plum and cranberry with a subtle spiciness that makes this wine really sing in its youth. The initial nose hints at a wine that may be dense and brooding but in the mouth is delightfully fresh and elegant. The brisk acid and supple tannins effortlessly intertwine with the juicy fruit and savory layers, resulting in a balanced effort that will surely evolve immensely over the next 10+ years. (If you can wait)

### WINEMAKING

The wine was made with partial whole cluster and 100% whole berry fermentation before pressing to French oak to age, and has been bottled unfinned and unfiltered.  
13.3% Alcohol

“I was also able to taste two Pinot Noirs from the team at DeLille, both from the Willamette Valley (although they’re labeled Oregon). The 2021 Pinot Noir Lonesome Rock Ranch Vineyard has a beautiful perfume of ripe cherries, mulberries, dried flowers, and underbrush. Medium-bodied, silky, and elegant, it’s clearly an outstanding Pinot Noir. This was 70% destemmed and, I believe, brought up in a mix of new and used barrels. I’d happily drink a bottle.”
