VINEYARD

Red Willow

2021 VINTAGE Red Willow Vineyard is the furthest western vineyard in the Yakima Valley AVA. At this site, grapes are grown on steep hillsides, which maximizes sun exposure and creates the perfect environment for ripening Syrah grapes. The 2021 vintage opens with pronounced aromas of black plum, roasted coffee beans and a hint of lavender. On the palate, the wine is audaciously meaty and full of concentrated dark fruits, offering flavors of blackberry compote, juniper berry and fresh violets. This wine is layered with notes of savory and dark fruits and provides subtle nuances with each sip. Enjoy now, or cellars for 15+ years.

WINEMAKING

Cold soaked 24 hours, fermented on skin 14-19 days, partial whole-cluster, aged 20 months in 100% French oak (14% new). 49% 86 Block

JAMES SUCKLING

REVIEWED BY

James Suckling

April 2023

www.jamessuckling.com

"This has aromas of blackberries, graphite, black olives, cherry stones and violets. Fragrant and flavorful with a full body and firm, polished tannins. Delicious salty undertones to the black fruit. Long, too. Drink or hold. – James Suckling"
