2022 The 2022 Shaw Cabernet is a beautiful example of the **VINTAGE** sophistication and expressiveness that Red Mountain Cabernet Sauvignon is known for. Aromas leap from the glass when first poured, leading with dark fruits like elderberry and black currant with hints of fresh raspberry and Bing cherry, showcasing the complexity of the fruit. The palate is luscious, featuring a savory medley of Earl Grey tea, tarragon, roasted coffee beans, and graphite that complement the fruit bouquet. The smooth entry, silky tannins, and warm, oaky notes create a creamy texture that lingers on the finish. There is elegance and vibrancy in this wine that will continue to evolve over the next 20+ years.

WINEMAKING

Single Vineyard Block. Stainless steel fermented, 14-16 days on skins. Barrel aged 20 months in French oak (96% new). Bottle aged 10 months prior to release.

"The 2021 'Shaw Vineyard' is 100% variety and comes from one block in the vineyard. On the nose this is powerful with a massive wall of black fruits that combine with shades of roasted figs, and espresso grounds, with pencil lead notes. The palate is push and soft with a refined texture and beautiful sense of flavor density and length. Finishing long with saturated dark fruits and copious minerals, this is drinking marvelously in its full-throttle youth. Drink 2024-2040"
