Marguerite

2021
VINTAGE

The 18 months in élevage and extended time in the bottle prior to release has created a complex 100% Sauvignon Blanc, with an intensity not easily attained by this aromatic varietal. The 2021 Marguerite is delectably rich, layered with intoxicating aromas of mango, apricot and guava. The texture is quite creamy with surprising secondary notes of brioche and vanilla, both results of barrel influence and extended lees contact. These characteristics are balanced by bright notes of lemon curd and oyster shell with a lovely hint of white flowers on the finish. Enjoy now or cellar for 10-15 years.

"A truly outstanding Washington Sauvignon Blanc, the 'Marguerite' is named after the Marguerite daisy which is a symbol of patience. Stored in 75% new French oak, this wine was sourced from some of the oldest Sauvignon Blanc in the state. This is very rich and refined with a seamless texture. Bright cantaloupe and kiwi flavors combine with beautiful weight and fantastic tension. Finishing long with smoky and stony tones, this is a delicious, complex wine that is built to age. Drink 2024-2034"
