LEGACY TIER

2022 Marguerite Sauvignon Blanc

*A rich, complex textured wine
with a smooth, creamy finish*

The 2022 Marguerite reflects the cooler vintage with delicate savory notes, bright minerality, and a unique flavor palate different from all four previous vintages. The aromas are soft, leading with pome fruits, notably green apple, Bosc pear, and honeydew melon. These fruits continue onto the palate and are framed by notes of butterscotch and lemon brioche. An extended 18 months in élevage and time in the bottle before release has created a rich, complex texture that plays perfectly with the sturdy acid.

WINEMAKING

Whole cluster pressed, 100% barrel fermented in 90% French oak (60% new), and aged 7 months on lees. Bottle aged for another 12 months before release.

BEHIND THE WINE

The Marguerite daisy, a flower symbolizing devotion and patience, lends its name to this cuvée. DeLille has crafted Sauvignon Blanc for over a quarter century, traditionally aging the wines for six months in barrel. For Marguerite, the very best wines are selected to remain in barrel for an additional year. Loyally tended in barrel, our best Sauvignon Blanc, is bottled separately, then rested in bottle another year.
