2023 Sagemoor Vineyards® Riesling

A wine with a full-bodied mouthfeel and bustling acidity

The 2023 vintage of our Sagemoor Riesling is a thoughtful blend of fruit from two vineyards: Bacchus (80%) and Gamache (20%), yielding intoxicating aromas of green apple, lychee, honeydew melon, and key lime. The energetic palate leads with bright, racy acidity that's balanced by the appealing waxy texture created by the hint of residual sugar (11.7 g/L). Notes of petrichor and white flowers complement the medley of dried herbs.

WINEMAKING

Fermented in stainless steel. A touch of residual sugar (11.7g/L) balances the full-bodied mouthfeel and bustling acidity.

BEHIND THE WINE

Riesling, one of the founding varietals of Washington State, benefits from the warm days and cool nights of the Columbia Valley, producing wines of generous fruit flavors, well balanced by brisk acidity. The higher elevation of the White Bluffs allows for a longer growing season, adding hang time complexity to the fruit from the Bacchus (80%) and Gamache (20%) Vineyards.
