EXCLUSIVE TIER

2024 Roussanne

Beautifully textured, with a creamy mouthfeel and perfectly balanced burst of acidity

The 2024 Roussanne opens with layered aromas of fresh lilac, honeydew melon, petrichor, and Asian pear. A quintessentially Roussanne burst of lemon-lime showcases the vintage's brilliant typicity. This palate is beautifully textured with a voluptuous, creamy mouthfeel, with the perfect balance of bright acidity that leads into a soft yet expansive mid-palate. Granny Smith apple, kiwi, and peach flavors are interwoven with a savory throughline of minerality that is easily enjoyed.

WINEMAKING

Fermented in a combination of 42% concrete, 32% neutral barrel, and 26% stainless steel. Full malolactic fermentation and aged three months in bottle before release.

BEHIND THE WINE

Roussanne is one of the few noble white grapes that can retain natural acidity & crisp structure nurtured under our beloved Red Mountain sun. As a single vineyard wine from the famed Ciel du Cheval vineyard in the Red Mountain AVA, the distinctive mineral complexity is the foundation of every vintage.

VARIETAL

100% Roussanne
