## 2023 Marguerite Sauvignon Blanc

*A rich, complex textured wine  
with a smooth, creamy finish*

The 2023 Marguerite shows the concentration of the vintage with its intense bouquet and rich palate. On the nose, notes of tree fruits like peach, nectarine, and Asian pear are framed by aromas of lemony baked pastries. The oak has integrated nicely after extended aging, imparting spice and even more volume on the palate. Bold tropical flavors are balanced by a notable floral lift and slightly green, herbaceous undertones. Brisk acid and tight structure add depth that carries the rich mid-palate to a nervy, bright finish.

### WINEMAKING

100% Barrel fermented, 15 months in French oak (57% new) and partial aging in concrete. Full malolactic fermentation. Bottle aged 12 months prior to release.

### BEHIND THE WINE

The Marguerite daisy, a flower symbolizing devotion and patience, lends its name to this cuvée. DeLille has crafted Sauvignon Blanc for over a quarter century, traditionally aging the wines for six months in barrel. For Marguerite, the very best wines are selected to remain in barrel for an additional year. Loyal tending in barrel, our best Sauvignon Blanc, is bottled separately, then rested in bottle another year.
